**Girls, Love the Ball…**

**Want a little more training, we have it!**

Challenge Soccer Club and Quest Youth Soccer Club are excited to offer CTAP again in the Fall of 2012.

We are excited to offer different training options for the U6 - U10 girls. CTAP provides training from the professional coaches of the Challenge.  Training will be provided at Northwest Park.

**What is it?**

**A.** The Technical Training of CTAP is for **U6 - U10** girls who are interested in pursuing more academy practice training. Players are challenged with one or two sessions per week coached by a member of the professional staff.

**B.** For the **U8 - U10** girl player that wants more than additional technical training we offer that as well.

Training sessions once or twice per week plus CTAP (Academy games) offered on the weekend. Teams are coached by members of the professional staff. The League and Training are a great way for players to test the waters of select soccer, interact with the professional staff more frequently, and meet new teammates.

**What is the cost?** There are two seasons: Fall (Mid August - December 4) and Spring (January - May). This cost would be on a per season basis.

*U6-U10 Programs and Costs:*

***Technical Training Program*** - for 12 week program:

Begin: August 28 (Girls)

$75.00 = 1 Practice per week and training t-shirt.
